Help and advice on home repairs and adaptations for older people

0300 111 3333

Do you need help to remain living safely and independently at home?

Care and Repair in Powys provides expertise, advice and practical support to older people across Powys who need to adapt or maintain their home.

We aim to help older people to remain living independently in safe, warm accessible homes.

We can

- ✓ Give advice on options to adapt or repair/maintain your home
- ✓ Refer on to other partners for further help such as Powys CC and Powys THB
- ✓ Give help on finding sources of funding for the work that needs to be done
- ✓ Give advice on welfare benefits to check you are receiving your full entitlement
- ✓ Help you find a reliable building contractor for larger jobs
- ✓ Provide a technical advice and assistance in arranging work
- ✓ Keep you informed on progress and check you are happy with the work done

We cannot

- ✗ Fund the works ourselves
- ✗ Guarantee the work of contractors
- ✗ Supervise or directly oversee the work of selected contractors

Healthy Home Service

A home based visiting service to assess and advise on safety at home, aimed at preventing falls, trips and slips. This can help avoid hospital admission or enable safe discharge from hospital or short term care. Agreed works could then be carried out by our own Practical Services team and also can be funded by grants, and include:

- Grab rails and stair rails
- A step and handrail
- Home Fire Safety Check
- Warm home measures/advice
- Security door chains
