Equip+ Mentoring

Are you aged 16-64, living in Newport, and not currently in employment?

Do you want to build your skills and confidence when applying for jobs?

Looking for a mentor who can give advice along the way?

The Volunteering Matters project Equip+ is launching in Newport to support people aged 16-64 who are currently looking for work, interested in self-employment, or further education and training.

We'll be offering a range of workshops covering everything from confidence building and job searching to CV writing and interview tips as well as a volunteer-led mentor scheme.

If you wish to become a volunteer or for more information on how you can be matched up with a mentor, please contact the team at kenneth.carpenter@volunteeringmatters.org.uk or 07399503450
