

Access Employment

Thinking about work?

Join our 12 week Access Employment programme and get yourself ready to take on the world of work. This inspiring and motivating course will equip you with the mental and physical skills, leaving you confident to apply for your dream job.

- Develop the motivation and confidence to find employment
- Work with external mentors, potential employers and specialist advisors
- Meet people living with deafblindness who are in employment
- ... all in a supportive and enabling environment with access to NRCPD language service professionals.

In one to one and group sessions, we will explore motivational change, choosing a career, education and training, self employment, searching for vacancies, writing a CV, disclosure of disability, interview skills and much more!
